Green campus initiatives

1. Restricted entry of vehicle- Institute has individual parking for four/two wheeler as well as for bicycle, so there is restricted entry for vehicles in the college ground. The parking is situated near the main gate of the institute. Moreover, students are preferred to use the bicycles.

Actual photographs of battery powered vehicles

2. Institute is advising student as well as staff to use battery powered vehicles, some of them are shown below.

Actual photographs of battery powered vehicles

3. Since the main gate is at walking distance and near to the entrance of the institute as seen in below picture, therefore pedestrian friendly road are not as much necessary here.

Actual photographs from Main gate to building area

4. The college campus has significant greenery and is maintained by team of gardeners. Tree plantation is the priority of college on various events such as birth anniversary of any great person. Various medicinal plants are planted in the campus by Botany department. Moreover, as a token of respect, a plant is offered to dignitaries in every program conducted by the institute. Student of this institute also felicitates all teachers on the occasion of teacher's day by giving them a plant as a token of respect. The college conducts the green audit yearly.
