**Arts, Commerce, Science and Computer Science College,
Ashvi (Kd). Tal: Sangamner, Dist: Ahmednagar,**

**Department of Zoology
Certificate course in Sericulture**

Sericulture Technology is an important village oriented Entrepreneur Development Programme. The course aims at following objectives: To know Technology of Mulberry cultivation and basic inputs of water, irrigation, fertilizers, and pest management. To study the biology and varieties of mulberry silkworms and the basic techniques of silk production and construction of cocoons To follow proper technology of rearing silkworm larvae and using disinfection methods so that to get healthy cocoons. The course also aims to teach post cocoon techniques like stifling, reeling, and utilization of byproducts. Above all the sustainability to get a steady and reasonable income to growers and Sericulture farmers and improving rural economy are the ultimate objectives of the course.

Our college Department of Zoology started the certificate course in sericulture from academic year from 2019-2020. In these course 30 students from class F.Y.B.Sc are enrolled, they have completed their course in the duration of Month August-2019 to September -2019. In this course they have compulsory completed theory and practical with field visit of sericulture unit. Prof. Lokhande D.V. Department of Zoology successfully conducted this Course. After completion of theory (20 marks) and practical (30 marks) syllabus examination were conducted and the qualified student awarded a certificate of course completion. In this academic year 30 students successfully completed these courses with good marks and Skills. After the Completion of certificate course feedback from student was taken overall student feedback performs is very good. Outcome of this course in this academic year farmer benefited as follow:

Sr. No.	Name of Farmer	Address	Guidance given to farmers	Year of Establishment of Unit
1.	Tambe Bhanudas Hari	At-Chinchpur, Tal-Sangamner	*Grands and unit formation *selection of mulberry varieties	2019-2020
2.	Khole Dadabhau subash	At-Chinchpur, Tal-Sangamner	*Life cycle stages of silkworm *Pest and Disease of silkworm *Processing and Marketing of cocoon	2019-2020

Report of Certificate Course - E-Banking (Year 2019-20)

Rapid technological changes in recent years have revolutionized the way banking services and products are delivered to consumers, small businesses and corporates alike. We are all familiar with how the Internet, the Mobile-phone and Smartcards have changed our lives the course aims at following objectives: Provide students with a clear understanding of the concept of electronic banking (E-banking). Equip students with modern and more current developments in the Banking Sector; precisely the application of the internet, computers and other electronically-based gadgets that facilitate the operations and practices of banking. Enable participants to gain insight knowledge into cheque transaction and electronic settlement and clearance system. To make the learners to apply the computer oriented skills in practical banking system.

Our college Department of Commerce started the certificate course in E-Banking in academic year from 2015-2016. In these course 27 students from class T.Y.B.Com are enrolled, they have completed their course in the duration of Month Dec.-2019 to March -2020. In this course they have compulsory completed theory with field visit of Bank unit. Dr.Gholap A.R., Department of Commerce, successfully conducted this Course. After completion of Test (20 marks), Assignment (20 Marks) and oral (10 marks) syllabus examination were conducted and the qualified student awarded a certificate of course completion. In this academic year 27 students successfully completed these courses with good marks and Skills. After completion of certificate course feedback form of student was taken overall student feedback performance is very good.

Annual Report
Certificate Course: Personality Development
Academic Year 2019-20

In the academic year 2019-20 total 30 numbers of students enrolled their names to the course in-charge for the course entitled "Personality Development". The course began in July and ends in September. Total thirty lectures were conducted for the course in which all the necessary content was covered by the subject expert. The students actively participated throughout the course. The attendance of the students for the course was remarkable. At the end of the course for the evaluation process the course in charge conducted 30 marks theory exam and 20 marks oral exam. Specially designed certificates were distributed to the students. The department received very nice feedback from all the students. All the students cleared the exam.

General observation found after the course:

- Students have built up their self-esteem and self-confidence
- Developed positive trends in their personality.
- Developed skills and techniques which are necessary for effective communication.
- Become sensitized in proper behavior in formal circumstances and informal circumstances.

Certificate course in Soil & Water Analysis

Academic Report-2019-2020

Soil & Water Analysis is an important village oriented Entrepreneur Development Programme. The course aims at following objectives: To know Technology of Soil and Water Analysis and basic inputs of Soil, irrigation, fertilizers, and pest management. To checking the pH of Soil increases the soil fertility. Farmers can analyze their Soil and water in the Laboratory of KVK Bahableswar.

Our college Department of Chemistry started the certificate course in Soil & Water Analysis from academic year from 2015-2016. In these course 25 students from class T.Y.B.Sc are enrolled, they have completed their course in the duration of Month July-2015 to September -2015. In this course they have compulsory completed theory, practical and Internal Of Soil & Water Analysis unit. Prof. Talekar Y.R Department of Chemistry successfully conducted this Course. After completion of theory (20 marks), practical (20 marks) and internal exam (10 marks) syllabus examination were conducted and the qualified student awarded a certificate of course completion. In this academic year 25 students successfully completed these courses with good marks and Skills. After the Completion of certificate course feedback from student was taken overall student feedback performs is very good. Outcome of this course in this academic year farmer benefited as follow:

- Soil erosion and control situations
- Watershed situations
- Yield increase
- Determination of air content and soil pH.
- The fertilizer application based on soil test and yield target help to save 10-15 % of fertilizer cost in each season.

Computer literacy Program

Report: 2016-17

Today, computer literacy has become an integral part of life due to increasing dependency on the use of computer. Thus, it is essential to provide an opportunity to the students to enlarge their horizons to learn the computer skills. With this view, the college has taken initiative and established a computer literacy center in the college. The curricula of this course is separated into theory and practical, whereas, more emphasis is given on practical.

Arts, Commerce, Science and Computer Science College Ashvi Kd. Started computer literacy Program from the academic year 2016-17 the course contain practical and Theory lectures for the student for the Second year B.A and B. Com & B.Sc. total 28 student wear admitted for these certificate course from all three streams, In all 28 students have been benefitted of this course during the academic year 2016-17, Who willingly join this course. This course is aimed at imparting basic knowledge about computer hardware and software, office work related software, introduction to internet and HTML language. The main objectives of the course are to provide an opportunity to the students so that they can learn and operate computer efficiently, to make familiar the students with the procedure of online transactions, to enable students to prepare inventory report, documentation and company report. After compilation of theory and practical teaching exam will be conducted according to norms and the exam result is good .The qualifier student's distribution of course compilation certificate.

It is found that, the students those who have completed the computer awareness course, have shown enhancement in their efficiency of computer operation. It is also found that, the course help the students to access the internet efficiently.

Computer literacy Program

Report: 2017-18

Today, computer literacy has become an integral part of life due to increasing dependency on the use of computer. Thus, it is essential to provide an opportunity to the students to enlarge their horizons to learn the computer skills. With this view, the college has taken initiative and established a computer literacy center in the college. The curricula of this course is separated into theory and practical, whereas, more emphasis is given on practical.

Arts, Commerce, Science and Computer Science College Ashvi Kd. Started computer literacy Program from the academic year 2017-18 the course contain practical and Theory lectures for the student for the Second year B.A and B. Com & B.Sc. total 26 student wear admitted for these certificate course from all three streams, In all 26 students have been benefitted of this course during the academic year 2017-18, Who willingly join this course. This course is aimed at imparting basic knowledge about computer hardware and software, office work related software, introduction to internet and HTML language. The main objectives of the course are to provide an opportunity to the students so that they can learn and operate computer efficiently, to make familiar the students with the procedure of online transactions, to enable students to prepare inventory report, documentation and company report. After compilation of theory and practical teaching exam will be conducted according to norms and the exam result is good. The qualifier student's distribution of course compilation certificate.

It is found that, the students those who have completed the computer awareness course, have shown enhancement in their efficiency of computer operation. It is also found that, the course help the students to access the internet efficiently.

Department of Chemistry

Certificate course in Soil & Water Analysis

Academic Report-2015-2016

Soil & Water Analysis is an important village oriented Entrepreneur Development Programme.

The course aims at following objectives: To know Technology of Soil and Water Analysis and basic inputs of Soil, irrigation, fertilizers, and pest management. To checking the pH of Soil increases the soil fertility. Farmers can analyze their Soil and water in the Laboratory of KVK Bahableswar. Our Department started the certificate course in Soil & Water Analysis from academic year from 2015-2016. In these course 25 students from class T.Y.B.Sc are enrolled, they have completed their course in the duration of July-2015 to September-2015. In this course they have compulsory theory, practical and Internal of Soil & Water Analysis unit. Prof. Patel M.M Department of Chemistry successfully conducted this Course. After completion of theory (20 marks), practical (20 marks) and internal exam (10 marks) syllabus examination were conducted and the qualified student awarded a certificate of course completion. In this academic year 25 students successfully completed these courses with good marks and Skills. After the Completion of certificate course feedback from student was taken overall student feedback performs is very good. Outcome of this course in this academic year farmer benefited as follow:

- Soil erosion and control situations
- Watershed situations
- Yield increase
- Determination of air content and soil pH.
- The fertilizer application based on soil test and yield target help to save 10-15 % of fertilizer cost in each season.
