Ganesh Murti and Nirmalya Management

Volunteers of the college's National Service Scheme participated in proper management of *Ganapati Visarjana* and *Nirmalya* during *Ganeshotsava*. Immersed Ganesha idols in the area of Pravara River and Pravara left and right canal were managed at the right place. An attempt was made to prevent the desecration of the idol. Also proper management of *pooja* material and *Nirmalya* which fell in water was done outside the water. The activity was carried out smoothly as the volunteers were given advance notice and safety instructions for the activity. The 37 girls and boys Volunteers actively participated in programme.

Best Practices Report 2021-22

Our college conducted the best Practice in Farmers Education in academic year 2021-22. In these practices seven departments along with students of institute is working intensively in different topics revealed as below.

1. Physics- Solar Energy and Electricity Consumption Awareness.
2. Chemistry- Soil and Water Analysis
3. Zoology- Pest Control Management and Practices
4. Botany- Cropping Pattern
5. Commerce - Farmer Accounting
6. Economics- Financial Literacy about Central Budget
7. Geography-Weather Prediction and Water Management

For this practice, individual department wise co-coordinator is assigned at the Beginning of each academic year. These coordinators decide the scope and methodology regarding the practice. These coordinators later choose the interested students and make their list. Moreover, a student advisor is designated who coordinates the program and counsel the other student also. Student of the institute interacts with the farmers and does the survey regarding the format given to the student which takes some information from them.

After the survey of this information, student as well as staff of respective departments does the analysis of the filled information. Later the staff along with some team of the student visited the needy villages regarding some informative and experiential training to the farmers. Area for the projects was chosen on the basis of priority needs. With this practice staffs first have to give training to the students regarding the concept of the practice to be run. Then after the students will learn the basic knowledge of what actual practice is to be done.
