Various activities are organized through the college. The college has always considered all the factors while implementing the schemes for the benefit of the students.

This year, on the occasion of Diwali vacation, we organized girl's alumni one that gave them the opportunity to share their old memories. Since the establishment of the college in 2001 till 2022, many ex-students of 22 years had come together on this occasion. Ms. Prachi Pabal and Ms. Shital Thorat, former students of the college, expressed their thoughts on this occasion.

Speaking further Prof. Shital Dive said that as a result of receiving valuable education from the government, girls like us who were afraid to ride a bicycle in rural areas can now drive a car in a city like Mumbai. Girls in our rural areas are getting education and are doing their jobs, running businesses and performing their responsibilities of their families properly. Today's young woman is playing a multifaceted role at the same time. It is truly credited to the Pravara Rural Education Institute that in a place like Ashvi, the facility of higher education was provided through the institution and the girls of the area got an opportunity for education, financial literacy and overall development. This assertion was made by Mrs. Shital Dive (the former student of the college), Pravara Rural Education Institute, College of Arts, Commerce, Science and Computer Science, Ashvi Kd, on the occasion of the Alumni Meet organized by the college. The activities implemented with the help of Janseva Foundation in women empowerment are really beneficial. The work is being done by Ashvi College and Pravara Education Institute to make ideal women.

Along with this, Mr. Annasaheb Bhosle Patil and Dr. Pradeep Dighe also guided the audience on this occasion.
